Measuring Procedures & Sizing Chart for Inner Ballistics Carrier

(please print)

Body Armor Measurements

Name _____

Follow Steps One, Two and Three and record information in blocks at right

1. Measure the chest diameter and record in Block #1.

2. Measure the waist diameter 1" above the belt and record in Block #2.

3. Measure from the front top of belt over the shoulder to the back top of belt and record in Block #3.

A copy of this sizing chart must accompany each individual Body Armor Vest or Carrier order to insure proper fit.

Record Measurements Here

Step #1

Chest

Step #2

Step #3

Over Shoulder

Unisex Sizing

UNICOR will calculate the appropriate size Vest or Carrier determined by your individual measurements. Call Factory Manager at FCI Yazoo City, MS, telephone (662) 751-4800 Ext 5674 if you have any questions about measuring.

UNICOR manufactures body armor at two levels of protection: Threat Level II and Threat Level IIIA. These meet the National Institute of Justice (NIJ) Standard 0101.03. Concealable body armor for everyday wear is designed to protect against low and medium energy handguns.

CARRIERS

Ballistic Nylon Carriers in Blue or Black

These superb UNICOR carriers are constructed of 100% breathable nylon for a comfortable fit.

F.B.I. studies indicate that about one third of the felonious fatalities that occurred from 1980 to 1992 might have been prevented by soft, concealable body armor. Our aim is to make your body armor as comfortable as possible.

Standard Features

- made for both over and under the shirt wear.
- ballistic panels can be inserted with any type carrier in the same size.

For Body Armor fitting, see Measuring Procedures & Sizing Chart on page 2.

New Vests, New Prices

The current war in Afghanistan and Iraq has caused a shortage of certain ballistic materials. Due to this shortage UNICOR will discontinue its line of Spectra-Flex/Gold-Flex vests effective September 10, 2004. All orders received on or prior to that date will be filled. Production of Kevlar® Vests will continue as

always and at a **new lower price**. UNICOR will also offer a new **K-Flex®/T-Flex™ vest**. Both vests are available in Threat Level II and IIIA. They are also available in Blue or Black Ballistic Nylon Carriers. These superb UNICOR carriers are constructed of 100% breathable nylon for a comfortable fit.

Quality Is Built Into Every Vest

Your protective vest can mean the difference between life and death. We take the manufacture of these garments very seriously, and have stringent quality assurance standards from arrival of the fabric through shipping of the vests.

The fabric is handled under strict security conditions. Certificates of fabric conformance accompany all fabric. The material is tagged and can be followed throughout production.

Patterns are certified by the UNICOR quality assurance manager. A factory manager, and a factory supervisor ensures that each piece of material is cut properly. Throughout the sewing process, quality assurance checks are made and documented.

Each vest passes a final inspection before it leaves the factory, and each step of the packaging process is closely supervised.

Only UNICOR vests are manufactured under the supervision of staff that may actually have to wear it - the ultimate test!

CARRIERS

Ballistic Poly/Cotton (60/40) Carriers in White or Black

These superb UNICOR carriers are constructed of a poly/cotton (60/40) blend for a soft comfortable fit.

Standard Features

- made for both over and under the shirt wear.
- ballistic panels can be inserted with any type carrier in the same size.

For Body Armor fitting, see Measuring Procedures & Sizing Chart on page 2.

Protection You Can Count On...

Testing Is Rigorous — Standards Are High

During testing each vest panel is shot six times, wet and dry, from different angles. Testing is performed to standards set by the National Institute of Justice (NIJ). Standard 0101.03 is the

recognized standard for the manufacture of ballistic garments. Although it is not mandatory to meet this updated standard, UNICOR chooses to do so. Additionally, UNICOR randomly selects vests for additional testing on a quarterly basis.

VESTS

Threat Level II Vest

Available with Kevlar (KM2®) or K-Flex®/T-Flex™ ballistic panels covered with 100% breathable nylon.

Standard Features

- overlapped under the arm to give side protection.
- ballistic panels can be interchanged with an under the shirt carrier or over the shirt carrier. Both can be custom made to match your duty uniform.
- each size comes in short, regular and long (call the Factory Manager at FCI Yazoo City, MS at 662-751-4800, ext 5674 if you have any questions about measuring.) Sizes are for both male and female (unisex).
- available in black and blue

Your Choice of High Grade Ballistic Materials

Kevlar® vests are made of Kevlar KM2, a tough synthetic aramid fiber that, for its weight, is five times stronger than steel. An aramid fiber is a high strength, low stretch material. It is flame resistant, will not melt, and has been treated to be water repellent. When woven as fabric it becomes virtually impenetrable, providing unsurpassed protection against gunshot wounds. It can minimize injuries from falls, explosions, automobile accidents and fires, yet is comfortable and easy to wear.

K-Flex®/T-Flex™ is a unidirectional, 0°/90°-oriented non-woven fabric with high-performance fiber materials. K-Flex®/T-Flex™ is fifth generation body armor material which produces panels 25%-40% lighter than the lightest aramid panels currently in the marketplace. Its light weight also allows for excellent flexibility. Each layer weighs no more than 0.04 lbs. per square foot. K-Flex®/T-Flex™ incorporates Kevlar® fibers which are hermetically sealed as the material is produced. Materials are unaffected by perspiration or other wetness. Also K Flex®/T-Flex™ is not susceptible to performance degradation from heat unlike polyethylene based ballistic materials.

VESTS

Stab Resistant Vest

UNICOR's Correctional Body Armor is constructed of HTS Cobalt Alloy, Kevlar® and open cell high recovery foam. The material enables these unique vests to absorb blunt trauma and provide stab protection for the officer.

Standard Features

- Certified to NIJ Standard 0115.00
- Collar and shoulder pads provide increased blunt trauma protection
- Complete front, back and side stab protection
- Slip-over construction
- Adjustable abdomen belt with protective cover flap
- Water-resistant 420 denier nylon carrier
- Thrust Guard panels are removable for carrier laundering
- Front & rear pouches for optional trauma plates or ballistic inserts

FLEET MANAGEMENT/VEHICULAR COMPONENTS

With facilities strategically placed throughout the country, the UNICOR Fleet Management/Vehicular Components Business Group offers innovative, cost-effective options to get the most from your equipment—at a fraction of the replacement cost. Since we began offering remanufacturing services to the federal government, we've grown into a highly technical operation with a tradition of delivering quality products at significant savings. We can customize our services to meet your needs. Ask us about your specific requirements at www.unicor.gov/fleet/index.cfm

REMANUFACTURED VEHICLE COMPONENTS

- UNICOR remanufactures diesel engines for weapons and support systems for the U.S. Armed Forces and refurbishes equipment such as forklifts and portable generators, as well as a wide variety of automotive components.

NEW VEHICLE SERVICES

- UNICOR offers custom vehicle retrofitting, up-fitting of new vehicles and manufacturing of custom components. Current production lines include complete law enforcement packages for Border Patrol sedans, pickup trucks and sport utility vehicles. Custom components include grill guards, cargo barriers, computer mounts, window security screens, rear security doors and rear deck lights, to name a few.

FLEET MANAGEMENT SERVICES

- Through a commercial partnership with Maximus, UNICOR is able to offer customers the latest technology, to maintain fleet operations. Our Internet-based reporting system features procurement tracking, asset management, bar coding, workflow and personnel management, plus a fully integrated fuel management system. We custom-configure all packages to meet your specific operational needs.

Ordering Information

ONLINE

The fastest way to see what UNICOR has to offer. Our internet catalog displays many of the products & services featured in our printed catalogs. We're ready to take your electronic order at:

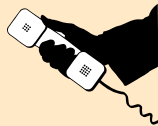

www.unicor.gov.

Fill out an order form, have your government credit card ready, and call us.

PHONE

Order toll-free! (800) 827-3168

FAX

Fill out the order form completely, include all charge card information and fax it to us.

Fax 24 hours a day:

(859) 254-9048

MAIL

Fill out the order form & mail to:

**UNICOR
Customer Service Center
P.O. Box 13640
Lexington, KY 40583-3640**

Of course, you can use a standard government purchase order for any item in this catalog.

Customer Service

For information about products and prices or to request catalogs, call

UNICOR Customer Service Center at
(800) 827-3168 from 7:30 a.m. to 5:45 p.m.E.S.T.
or leave a message at other times.

Escape-Proof Guarantee

We take great pride in teaching inmates a good work ethic and marketable job skills in order to produce high-quality goods and services for our customers. We are committed to your complete and continual satisfaction. If, at any time, an item we have provided does not entirely meet your expectations, we will cheerfully and promptly repair or replace it, entirely at our expense.

Decals

UNICOR offers custom police vehicle identification decals made to your agency specification. Decals are pressure sensitive and are easily applied to any clean surface. Decals can be produced from your original artwork or we can design artwork for you at a minimum charge. You will receive a sample for approval before your order is printed.

For a quote, fax your request to
(805) 735-6211.

Nameplates and Holders

Both desk plates and wall plates have room for a name and agency seal, and come in a variety of colors (call for specifics). Price includes the holder and the nameplate.

Mousepad and Coffee Mugs

UNICOR can custom manufacture mousepads, wrist rests or matching sets

for your organization. These mousepads make great employee incentive awards or can be used to standardize offices. We can print your agency emblem or seal or can customize pads from your own design.
